Membership Application

RAF Seletar was an RAF station from 1928 through to 1971. It has an extremely colourful history. The Royal Air Force Seletar Association was formed in 1997. Joining the Association will be a great help to enable you to catch up with old friends and colleagues or comrades who you may have lost touch with. All members enjoy getting the Association Newsletter which is a comprehensive publication all about the past and present of Seletar and its personnel. Annual bashes are held which are great fun and there are regional events too. For a very small fee you'll get an awful lot in return.
